

Bay Harbor Lake Marina is located in Bay Harbor Lake adjoining the pristine waters of Lake Michigan, offering superior amenities and services to both seasonal and transient boaters. The marina has 111 slips for vessels up to 185' and a draft up to 12'. The dock design includes floating docks. The marina has been a certified Michigan Clean Marina since 2006 and named one of the "Top 10 Ports" in the United States.
